

### **Takao Onoda**

*Director General, Japan Automobile Standards Internationalization Center (JASIC)*

Mr. Takao Onoda is Director General of Japan Automobile Standards Internationalization Center (JASIC), which assists the Japanese government in promoting the internationalization of vehicle regulations and certification through cooperation between the government and industry. JASIC has its head office in Tokyo and three overseas offices including the one in Washington DC. Before taking this post, he served as Director, Type Approval and Recall Division and Director, Office of International Affairs in Road Transport Bureau of Ministry of Land, Infrastructure, Transport and Tourism (MLIT) in Japan.

He has also been serving as chairman of a working group responsible for establishing international vehicle certification system under the United Nation's World Forum for Harmonization of Vehicle Regulations (WP29). From 2006 to 2009, he worked with the International Energy Agency (IEA) where he drafted the transport policy part of the 25 recommendations on energy efficiency to the 2008 Hokkaido G8 Summit. Mr. Takao Onoda joined the Ministry of Transport, predecessor of MLIT in 1991. He received his master's degree in Engineering from Osaka Prefecture University and another master's degree in international policy from Columbia University.
